Beagle Bash

Beagle Bash is a yearly event that brings BRSM alumni together, spotlights adoptable dogs, thanks our community, and raises funds for our ongoing efforts.

As BRSM celebrates our 25th anniversary, we are gearing up for our biggest celebration ever.

We have no paid staff, and our volunteers work tirelessly to save every dog, regardless of how much time, effort, or money it will take.

There's no better way to celebrate the community that makes our work possible than by coming together for a big party. Last year, [we even made it on WBAL-TV 11 news!](#)

300+ attendees. This event draws a fun crowd: current dog owners, foster families, pet lovers, and wannabe or soon-to-be dog owners from the local Maryland community!

150+ dogs. Plenty of BRSM alumni and adoptable dogs attend, with the occasional "honorary beagle" thrown in.

15K social media followers. Our online community has helped us find homes for 2,700+ dogs. They're loyal, loving, and dedicated — and they celebrate virtually even if they can't join in person.

Top Dawg

\$250

- Logo on digital event collateral

at Crownsville Canine
2007 A Lineage Ln
Crownsville, MD 21032

By sponsoring the Beagle Bash, you will **literally save lives!** We hope you'll join us for this opportunity to align with an important cause while connecting with over 300 dog lovers and advocates.

Beagle Bash is guaranteed to be a day filled with fun, tail wagging, and community. Together, we can make a difference—one beagle at a time. (Plus, it's tax-deductible, and that's nice, too!)

From bake sales to costume contests — last year we received an official citation celebrating our efforts and made the evening news! — there is something for everyone at the Beagle Bash.
